Grand Total Fees \$258.30

Registration Information: The deadline to register your team for the winter volleyball leagues is **Friday, November 25th**. League play will start Monday December 5, 6 and 8. Late registrations, if accepted, are subject to a \$25 late fee. You may register your team either online at <http://www.ci.stcloud.mn.us> or in person at the Whitney Recreation Center located at 1529 Northway Drive. Payment must be made when you register. Registration is not considered complete until the entire team fee is paid.

Individuals who are looking to join our leagues are encouraged to call the contact number listed above.

Rosters: Prior to the first match teams must have their rosters turned in. **Players may not participate without proper information filled out and signed.** Players may be added to the roster at later times. You may either print the league roster online or pick it up with registration materials at the Whitney Recreation Center.

Number of Matches: Each team is guaranteed twelve regular season matches and a double elimination playoff. Winter league matches are self-officiated. There will have to be at least six teams registered in order to operate each league.

Sales Tax Exemption: Teams whose team fees are paid by a non-profit organization with a sales tax exemption are exempt from sales tax. Payment must come directly from that organization to St. Cloud Recreation to qualify. An **ST3 Form** must be filed with the Park & Recreation Office prior to registering.

Team Non-resident Fee: Non-resident fees are now based on the number of players on your team roster that are not residents of St. Cloud and are charged as a team fee. If half or more of your players listed on your roster are not residents of St. Cloud there is an additional 20% of the registration fee charged as a non-resident fee. A non-resident is considered as anyone who does not live within the city limits of St. Cloud.

Starting Dates: League play will begin the week of December 5-8.

Match Times: 6:15, 7:15, 8:15 or 9:15 PM (if necessary). Any requests for specific match times must be done **in writing and there is no guarantee that requests will be granted.**

No Play Dates: **December 29,**

Levels of Competition: Teams may register for Power Leagues, which are more competitive and do not play by the Class C restrictions. Recreational Leagues are made up of teams that are less competitive and play by Class C restrictions, which are found in the MSF rulebook. Copies may be found in the gym office.

Supervision of Children: All children must be supervised during league play. Children are not allowed to run around the gym or recreation center. Any adult who is not playing in a game must supervise their children or teammates' children. Unsupervised children can be distracting to both players and officials, but most importantly, they run the risk of injuring themselves or causing injury to others.
