

2020 Century Homes Recognition Program

COST: There will be a one-time fee to cover the cost of the plaque of \$230. This fee is required at the time of application. If your property is not accepted into the Century Homes Program, this fee will be returned to you. Withdrawal from consideration from the program and refunds will be granted up until the order for the plaque has been placed. After such time, no refunds will be given.

QUALIFYING CRITERIA:

1. Original structure must have been built for residential use (no combined uses with commercial or other types of uses). Multi-family structures are eligible.
2. The building must be documented to be 100 years old or older.
3. The house must reflect its original architectural character.
4. Additions and alterations to the house are acceptable; however, the original architectural character should not be compromised. Houses that have been resided with vinyl or other siding types are not automatically disqualified from recognition.
5. The house must not exhibit signs of deferred maintenance, which threatens the economic life of the structure.
6. The house should demonstrate how to care for older homes.

SELECTION PROCESS: The St. Cloud Heritage Preservation Commission (HPC) will review the submitted Century Home Applications. All of the selection criteria must be met and findings to this effect will be made for every qualifying home. Applications without supporting documentation may not be selected for the Century Homes Program.

RECOGNITION: Qualifying homes will be recognized with a plaque for placement on the house. Property owners are encouraged to display the plaque on the outside of their home.

NOTE: This program is an honorary award only. It does not qualify homes for local or national historical designation, nor does it provide financial assistance for maintenance of designated homes.

2020 Century Homes Recognition Program Application

Address of Century Home: _____

Present Owner: _____

Address of Present Owner (if different than above): _____
