

## MnDOT Statewide Pedestrian System Plan Communications Package

Ever wondered how sidewalks and paths are planned? Our walking environment can transform through infrastructure improvements and other changes. You have an opportunity to share your thoughts on walking infrastructure improvements. The Minnesota Department of Transportation (MnDOT) is looking for your thoughts to improve walking in Minnesota through a second survey. This online survey is focused on infrastructure implementation. Your input will shape recommendations for MnDOT policies and prioritization of walking infrastructure on state highways. You can find the survey and more information at <https://www.minnesotawalks.org/participate/>

MnDOT wants to hear from you regarding how to improve the walking experience in Minnesota. Take this survey to share your thoughts and ideas: <https://www.minnesotawalks.org/participate/>
