

Water Treatment Facility Advanced Process Improvement August 2022

The Water Treatment Facility is staffed 24/7/365. For inquires or construction-related emergencies, please call (320) 255-7225.

CONSTRUCTION PROGRESS

Retaining wall footings were formed and poured, which will encase the new main entrance.

Exterior glass has been arriving and being installed, which helps envision the advanced process Water Treatment Facility.

FAQs

A construction website was created. The website has additional project information. Please use this link.

<https://ci.stcloud.mn.us/WaterProject>

The Webcam link is also on the Construction Website. Please click on that link for a live look at the construction project.
