

Water Treatment Facility Advanced Process Improvement January 2023

The Water Treatment Facility is staffed 24/7/365. For inquires or construction-related emergencies, please call (320) 255-7225.

CONSTRUCTION PROGRESS

The Water Treatment Facility main entrance and educational space floor is being finalized this week. Terrazzo is a tedious and physically intense process but is very durable. The Mississippi River is replicated into floor, with emblems indicating some buildings and parks along the river.

FAQs

A construction website was created. The website has additional project information. Please use this link.

<https://ci.stcloud.mn.us/WaterProject>

The Webcam link is also on the Construction Website. Please click on that link for a live look at the construction project.
